

# Thank You for your Generous Support!

Mercy Education Project thanks the more than 900 individual donors, volunteers, event guests, foundations, corporations and community partners that supported our students and staff, between July 1, 2019 and June 30, 2020. Even with the unsettling year, 209 Detroit-area women and girls still achieved their educational goals. MEP continues to serve all students in various remote and in-person modes. Thank you for your life-changing gifts!

Thank you also to the 25th Anniversary Pewabic Tile campaign donors. Please see the picture of the plaque hanging in MEP with your names and one of the historic tiles. Thank you for opening doors to women and girls.

Please join us at the upcoming Side-by-Side Golf Tournament benefitting MEP, on September 10th, Fox Hills Golf and Banquet Center, Plymouth. Register or donate today online at [mepgolf2020.givesmart.com](http://mepgolf2020.givesmart.com). We hope to see you there!
